## BRAND GUIDELINES

---

The brandmark is a dynamic and complete visual presentation of the EXCLAIM company name. Its weight and composition creates a brandmark adaptable to any scale of reproduction in visually any medium. The brandmark is a powerful asset that encompasses the entire company and what it represents in the perception of it's customers and affiliates. All associates and affiliates are responsible for upholding the integrity of the brand; always practicing proper usage.

## NEGATIVE SPACE GUIDELINES

In all applications, the minimum negative (or empty space) surrounding the master landmark should allow the width and height of the “X” in “EXCLAIM” as a guide as demonstrated below.

The minimum width that may be reproduced is 1.25 inches for the landmark. For maximum impact in graphic environments, the minimum clear space must be maintained.

# TYPEFACE (FONT) USAGE

## PRIMARY FONT USAGE: MONTSERRAT

Correct use and style of typography is of equal importance to the EXCLAIM brand as the mark and colors. Typography is part of the voice of the brand, speaking to the distinctly different roles, motivators and purchasing habits of our professional customers. The primary font for EXCLAIM is Montserrat, a typeface that features a significant variety of weighted variants suitable for nearly all typographic needs.
